I've done work for CKLN 88.1 FM Radio since 2006, plus other interviews, audioblog and more. You can search for them at Archive.org or use the link below, or type "ckln" into the Radio4All.net link. Since many people in Canada asked "Vijay" not to talk about this stuff, I often used the alias "Black Krishna" or "BK" to make sure that I could take this stuff seriously and get better at it.

I didn't want to deal with these issues in ways that forced me not to take them seriously. So, I kept one name for talking to Canadians in normal ways that played-down the seriousness of our situation, while the other alias dealt with it in more serious, albeit eccentric and imperfect ways. It happened naturally and I was using "BK" in music circles too. Now I'm comfortable using both.

Warm regards,

Vijay

(aka BK)
